## NOTICE!

Any road is subject to being closed or regulated for commercial haul. Please read and heed all posted signs and stay out of active logging areas to avoid any potential hazards!

Disclaimer:  
The Map portrayed is not from a legally recorded survey and should not be portrayed as such. It was created as part of a Geographic Information System (GIS) that compiles records, information and data from various sources which may contain errors and is subject to constant change, therefore, accuracy cannot be guaranteed.

Any road is subject to being closed or regulated for commercial haul. Please read and heed all posted signs and stay out of active logging areas to avoid any potential hazards!

Protected Wildlife Habitat Areas.  
No Motorized Vehicle Access.  
Antelope Brush, Rattlesnakes  
and Big Horn Sheep.

**Reasons For Limited And Closed ORV Areas**  
The purpose of limiting or closing areas to OHV may be to protect such resource values as soils, watershed, vegetation, wildlife and viewshed, human safety issues and/or to resolve potential user conflicts. For further information please contact the local District Recreation Officer.
